

Reducing Alcohol-Exposed Pregnancies: A Report of the National Task Force on Fetal Alcohol Syndrome and Fetal Alcohol Effect (Paperback)

By U S Department of Health Human Services, Ph D Kristen L Barry, MPH MD Ph D Caetano

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English. Brand new Book. Alcohol misuse is a serious, worldwide public health issue that can result in a wide range of physical, psychological, and social problems affecting the individual, the family, and the community. Drinking alcohol during pregnancy increases a woman's risk of having a baby with birth defects and developmental disabilities. Alcohol consumption during pregnancy is recognized as the cause of fetal alcohol spectrum disorders (FASDs). FASD is a term used to define the spectrum of physical, mental, behavioral, and/or learning disabilities that can result from prenatal alcohol exposure. Fetal alcohol syndrome (FAS) is one of the most severe outcomes of drinking alcohol during pregnancy and is characterized by facial malformations, growth deficits, and neurodevelopmental problems. Efforts have been underway for several decades to develop strategies to prevent alcohol-exposed pregnancies (AEPs) and reduce the risk of FASDs. In 2002, the National Task Force on Fetal Alcohol Syndrome and Fetal Alcohol Effect (NTFFASFAE), a federal advisory committee, released its first recommendations. Among these recommendations were several items focused on prevention, including recommending the reissuance of the U.S. Surgeon General's advisory on drinking during pregnancy [4] and the development...

Reviews

It is one of the most popular publications. It really is written in easy words and not difficult to understand. You are going to like how the author writes this book.

-- Prof. Evans Balistreri DDS

Completely essential go through book. This is for all who state there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Lydia Legros
